DEPARTMENT OF INTERNAL RESIDENCES AND CONSERVATION

AUTHORIZATION TO CHARGE APPROPRIATION WATER MIGHT

Fursuant to Section 83-88%, R.C.M. 1987, of the MONTANA WATER USE ACT, the Department of Matural Resources and Conscreption, through the office of the Arbinistrator of the Mator Resources Division, hereby authorises the Change of Appropriation Water Right exemitted by HELENA SAND AND GRAVEL OF HYLENA, MONTANA

wider Application No. 1377-c41-1

The appropriation water right and its use an appropriation filed June 23, 1973, File No. 236474, in Levis and Clark County for 1,000 gallows per minute, diverted by means of an 18-inch well at a point in the SWE NWE NEW of Section 12, Towaship 10 North, Runge 3 West, W.P.H., Lewis and Clark County, Mentona. The appropriation is used for irrigation purposes from April 1 to Gerober 1, inclusive of each year, in the ES of Section 12, Township 10 North, Range 3 Nest, M.P.M., Lewis and Clark County, Montona, on 300 acres, more or less.

The Department hereby authorizes the change of the above-referenced water right as follows: Change the point of diversion approximately 25 feet from the above-mentioned point of diversion. The proposed change is to divert the above vaters from a 22-inch well at a point in the SWM NWW NEW of Section 12, Township 10 North, Runge 3 west, M.P.M., Lawin and Clark County, Montana, and is manifolded together with two other wells for the above-mentioned irrigation.

It is further conditioned that the abandoned well be properly sealed.

The approval of this change in no way in to be construct as recognition by the Department of the water rights involved. All rights are subject to possible modification under the proceedings pursuant to Section 89-865, et seq., R.C.M. 1847.

The applicant shall notify the Department in writing within 30 days after completion of the awhorized charge.

STATE OF MONTHUA

DEPARTMENT OF NATURAL RESOURCES AND COMPERNATION

TOMARIO OT MOTAXIROMTUA APPROPRIATION WATER PIONT

Pursuant to Section 80-881, R.C.N. 1997, of the MONIANA WATER USE ACT, the Department of Natural Resources and Conservation, through the office of the Administrator of the Nature Resources Indicion, horsely authorizes the Change of Appropriation Water Right submitted by INTERA EARD AND GRAVEL of HILLENA, MONTANA

under Application No. 1378-c41-I.

The appropriation water right and its use an appropriation filed June 28, 1973 File No. 236473, in Lewis and Clark County for 1008 gallons per minute, diverted by means of an 18-inch groundwater well located within the NV% NV% NV% of Section 12, Township 10 North, Range 3 Nest, M.P.M., Lewis and Clark County, Montana. The appropriation is used for irrigation purposes from April 1 to October 1, inclusive of each year, in the N/3 of Section 12, Township 10 North, Range 3 Nest, M.P.M., Lewis and Clark County, Montana, on 300 acres, more or less.

The Department hareby authorizes the change of the above-referenced water right as follows: Change the point of diversion approximately 10 feet from the above-mentioned point of diversion. The proposed change is to divert the above waters from a 27-inch well at a point within the NNA NNA NNA of Section 12, Township 10 Forth, Range 3 Vest, V.P.N., Lewis and Clark County, Montana and is to be manifolded together with two other wells for the above-mentioned irrigation.

It is further conditioned that the abandoned well be properly smaled.

The approval of this change in no way is to be construed as recognition by the Department of the vater rights involved. All rights are cubject to possible modification under the proceedings pursuant to Section 89-885, et seq., R.C.M. 1947.

The applicant shall notify the Devartment in writing within 30 days after completion of the authorized change.
